

REMARKS

The present amendment is made to amend the claims to obviate the Examiner's objections to the marked up copies.

Claim 24 has been cancelled and the Examiner is correct in his assumption. Claim 8 has been amended to conform to the previous inventive claim 8 wherein the term "listing" was inadvertently inserted into the amendment and the term "claims" has been changed to "claim". Claim 27 has been amended to obviate the Examiner's objection thereto.

Therefore, the claims as presented now are deemed to be proper and favorable reconsideration of the application is requested.

Respectfully submitted,
Muserlian, Lucas and Mercanti
